Therefore, I urge that the aforementioned recommendations be resolutions of the House and that the Nyandarua County Supplementary Appropriation Bill, 2018 now be read a second time. Thank you Mr. Speaker and I call upon Hon. John Githinji to second.

**Speaker:** Yes the Member for Gita and the vice chairperson of the Committee on Budget and Appropriations, Hon. Githinji Mwaniki.

**Hon. Githinji Mwaniki:** Thank you Mr Speaker. I commend my fellow Members of the Budget and Appropriations Committee and the support staff thereof for managing to compile the report at hand within a short time. I support the motion considering that the report

has no deviations from the already adopted supplementary budget. I do not wish to take a lot of time on the floor of the House, so I beg to second.

*(Question that the Appropriations Bill be read a second time proposed)*

**Speaker:** Yes the Member for Murungaru, Hon. Kariuki Muchiri.

**Hon. Kariuki Muchiri:** Thank you Mr Speaker for giving me this chance to contribute to the motion. This is a very important motion.

Firstly, I thank the Committee on Budget and Appropriations, including the support staff for working tirelessly to bring the report at hand to the House, within the shortest time possible.

The Appropriations Bill is very important since it gives the county government the authority to spend the money in the respective budget. Passing this motion will give His Excellency the Governor, with the support of the Executive committee members, the opportunity to honour his pledges to the people of Nyandarua. This will be the beginning of implementation of his development manifesto. My fellow Members are aware that development in the wards for the benefit of *Wanjiku* has not started and also having in mind that the long rains are looming. The Appropriations Bill at hand has come a bit late; it was supposed to be introduced in this House towards the end of last year.
