**Hon. Dorcas Kihara:** Thank you Mr. Speaker, I wish to report that the committee of Supply has considered the Nyandarua County Annual Budget Estimates for the Financial Year 2016/17 and approved the same with amendments.

**Speaker:** Very well. Yes Chairperson, Committee on Budget and Appropriations, Hon. James Kiiru Gachomba.

**Hon. James Gachomba:** Thank you Mr. Speaker, I beg to move that the House agrees with the Committee on the said report of the Nyandarua County Annual Budget Estimates for the Financial Year 2016/17.

*(Question proposed)*

*(Question put and agreed to)*

**Speaker:** Very well, I wish to commend the members for their patience in working through the estimates and coming up with a working budget. I also wish to confirm to the Members that I am going to work closely with the committee of Budget invoking the discretion of article 136 (2) of the standing orders,

*At any time before the certification and submission of a bill to the Governor, the Speaker may correct formal errors of oversights therein without changing the substance of the Bill.*

So that we are able to submit to the executive resolutions that speak for themselves. I have noted, for example, in the department of water a water project in Wanjohi Ward is indicated as Kiambogo which is in Geta ward instead of Kiamboga. We are going to liaise closely with the chairperson of the budget and appropriations committee so that as we submit the resolutions tonight, we shall have a budget that works for both the members and *Wanjiku*. Next order.
