8. Motions and Bills

i. **Hon. James Kiiru Gachomba (Member for Njabini/Kiburu Ward)**

Mr. Speaker Sir, I beg to move the following motion:

Aware that the Constitution 2010, under Article 69(1) (b) requires the State to ensure that there is sustainable exploitation, utilization and management of the environment and natural resources and to ensure that there is equitable sharing of the accruing benefits;

Noting that Nyandarua County is endowed with water catchment areas and natural water which is a natural resource consumed in neighboring counties including Nairobi, Nakuru and Laikipia;

Further noting that there is constructed in Nyandarua County within the Kinangop Sub-County, the Sasumwa Dam for collecting and preserving water for consumption in Nairobi County and is managed by Nairobi Water and Sewerage Company.

Concerned that the water collected in the Dam and the monetary benefit accruing from the commercial sale thereof, is not shared with the people of Nyandarua County against the national principles on natural resources;

I now therefore I urge the Assembly to resolve that the County Department on Intergovernmental Relations, does institute appropriate steps towards ensuring that the people of Nyandarua County benefit from the water and monetary benefits accruing from the sale of water collected at Sasumwa Dam.

Thank You, Mr. Speaker.

ii. **Hon. Silvester Kagiri Mwangi (Chairperson, Committee on Public Investment and Accounts Committee)**

Mr. Speaker Sir, I beg to move the following motion;

That this House does adopt the Report on the Financial Operations on Nyandarua County Government and its defunct Local Authorities for the period 1st January to 30th June 2013 by the Committee on Public Investment and Accounts as a report of this House and the recommendations therein as resolutions of this House

Thank you Mr. Speaker.
