**Mr. Speaker Sir,**

I beg to move the following Motion:

**Aware** that a good transport system is crucial for economic development for our Country and County. Further aware that there are transport systems under the maintenance of National and County Governments.

Concerned that there is confusion between which roads are under Kenya Rural Roads Authority (KeRRA) and those under County Government which may lead to some roads being neglected.

Further concerned that this confusion might adversely affect the delivery of services to the people of Nyandarua County.

Now therefore, I urge that this House do resolve that the County Executive Committee member in charge of Roads, Public Works and Transport provides an inventory of all roads under Kenya Rural Roads Authority (KeRRA) per every elective ward.
