Mr. Speaker Sir, I beg to move the following motion:-

THAT aware education is one of the fundamental rights enshrined in the constitution and the basic education Act. Further aware of the high cost of education in secondary schools.

Concerned that there many bright students in the county who have been denied the chance to this fundamental right due to economic constraints.

Further concerned that the current bursary fund amounts are inadequate to cover for the current expensive costs of education in High Schools.

Now therefore I do urge that this House do resolve that there be established a County scholarship and vocational training Fund to cater for bright and needy students in the County.

Thank you Mr. Speaker Sir.
