Mr. Speaker Sir,

I beg to give notice of the following Motion:

Aware that the County Government has an established County Public Service Board as well as the County Assembly Service Board to deal with matters of public service and human resource management. Further aware that these two entities are mandated to establish and abolish offices within their service.

Concerned that as required by law, the Boards are required develop their respective human resource policies and adopt them.

...../Notices of motion

Further concerned of the need to publish and publicize documents including such policies;

Now therefore I urge that this Assembly does resolve that the County Public Service Board and the County Assembly Service Board do publish and publicize their policies with respect to public service and human resource management.

Thank you Mr. Speaker Sir.

i. Hon. Dorcas Kihara

Mr. Speaker Sir,

I beg to move the following motion:

Aware that on numerous occasions, in the County Executive, statements have been made by Senior State Officers including H.E the Governor to the effect that the County Government is facilitating pupils in Public Primary Schools to sit for fully paid mock examinations.

Noting that the County Assembly did not approve such a programme in the County Budget for the 2014/2015 financial year and yet the same programme was undertaken during the said financial year;

Emphasizing the need for the County Government to be guided and observe the approved budget in undertaking its programmes;

I now therefore urge this Assembly to resolve that the County Treasury does report to the Assembly on how the programme is being undertaken and financed.

Thank you Mr. Speaker Sir.
