6. Notices of Motion

(i) **Hon. Zachary Mwangi Njeru (Chairperson, Liaison Committee)**

Mr. Speaker Sir, I beg to give notice of the following motion;

THAT the House does adopt the Report of the Liaison Committee on the committees' sittings Schedule as a report of the House and the recommendations thereof as the resolution of the House.

Thank you Mr. Speaker Sir.

(ii) **Hon. John Kieru Wambui (MCA, Gatimu Ward)**

Mr. Speaker Sir, I beg to give notice of the following motion:-

Aware that article 207 (2) (b) of the Constitution of Kenya 2010 provides that no money may be withdrawn from the County Revenue Fund unless as authorized by an appropriation by legislation of the county;

Further aware that the Section 53 (8) of the Public Procurement and Disposal Act 2015 provides that accounting officer shall not commence any procurement proceeding until satisfied that sufficient funds to meet the obligations of the resulting contract are reflected in its approved budget estimates;

Concerned that the Department of Finance and Economic Planning on the 26th day of September 2017 placed an advertisement in the dailies inviting interested and eligible bidders to supply and deliver a heavy duty passenger vehicle whose purchase was not appropriated;

Further concerned that the action is in total disregard of the constitutional and legal provisions and is an offence under Section 53 (9) of the Public Procurement and Disposal Act 2015;

Noting that the Department of Finance and Economic Planning needs to first forward budget estimates of any expected expenditure for approval and appropriation by the County Assembly;

Now therefore, this House does resolve:

1. **THAT** the Executive Committee Member for Finance and Economic Planning, the Director of Supply Chain Management Services and the Acting County Secretary does cancel and terminate the tendering of the said vehicle until funds for the purpose are sufficiently appropriated.

Thank you Mr. Speaker Sir.
