

REPUBLIC OF KENYA

NYANDARUA COUNTY ASSEMBLY

ORDER PAPER

SECOND ASSEMBLY
(No. 035)

SECOND SESSION-FIRST PART

WEDNESDAY, 2ND MAY, 2018 AT 9.00A.M.

.....
ORDER OF BUSINESS

Prayers

1. Administration of Oath
2. Communication from the Chair
3. Messages
4. Petitions
5. Paper
6. Notices of Motion

i. **Hon. John Kieru Wambui, (M.C.A, Gatimu Ward)**

Mr. Speaker, Sir, I beg to give notice of the following motion;

AWARE that the function and power of electricity and gas reticulation and energy regulation is vested in county governments pursuant to the second part, fourth schedule of the Constitution of Kenya, 2010.

CONCERNED that a majority of homesteads in Nyandarua County are not connected to the National Electricity Grid due to the high costs charged by the Kenya Power & Lighting Company which is a monopoly in the industry.

FURTHER CONCERNED of the lack of suitable county entity or institution to specifically deal with matters of electricity reticulation including collaborating with the national government in programmes aimed at massive connection such as one-mile programme.

APPRECIATING that establishing a county entity/agency to deal with matter of electricity reticulation as a function would be a suitable strategy to confront the challenge of low electricity reticulation in the county.

NOW THEREFORE, this House resolves –

- a. **THAT** there be established a county government entity /agency vested with the duty to deal with the function of electricity reticulation and connected purposes; and
- b. **THAT** the Committee on Transport, Energy and Public Works does report to the House within sixty days (60), on the most appropriate approach towards the matter.

Thank you Mr. Speaker, Sir.

ii. **Hon. Simon Sambigi Mukuria (M.C.A, Githirio Ward)**

Mr. Speaker, Sir, I beg to give notice of the following motion;

AWARE that pursuant to Article 187 of the Constitution of Kenya, 2010 a function or power of government at one level may be transferred to a government at the other level by agreement between the government if –

- (a) the function or power would be more effectively performed or exercised by the receiving government;
- (b) the transfer of the function or power is not prohibited by the legislation which it is to be performed or exercised .

CONCERNED of the deplorable conditions or in some cases the lack of physical facilities in the primary schools in the county such as class rooms, toilets, dormitories, libraries, etc.

APPRECIATING that improving the facilities or constructing such facilities, where appropriate, would be performed more effectively by the county government thus generally improving service delivery.

NOTING that the Basic Education Act No. 14 2013 does not prohibit the transfer of such function from the national government to the county government;

FURTHER NOTING the said Act in fact anticipates under section 26, the transfer by the national government to county government, the function of infrastructural development for primary and secondary schools.

NOW THEREFORE this House does resolve –

- (a) **THAT** the Nyandarua County Government does, pursuant to Article 187 of the Constitution; Section 26 of the Basic Education Act and all other applicable laws, petition the national government for a transfer to itself, the function of infrastructural development in primary schools situated within its boundaries; and
- (b) **THAT** the said petition/request be undertaken within thirty(30) days of this resolution.

Thank You Mr. Speaker, Sir.

iii. Hon. Isaac Kung'u Wanjiru (M.C.A, Wanjohi Ward)

Mr. Speaker, Sir, I beg to give notice of the following motion;

AWARE that in county government is vested with power of county planning and development including statistics pursuant to the second part, fourth schedule of the Constitution of Kenya, 2010.

NOTING that statistics are critical and fundamental to informed planning; resource mobilization and allocation for other government use.

CONCERNED that the Nyandarua County Government lacks both institutional and human capacity to derive statistics for its planning and use;

FURTHER NOTING that there is already established by the national government, Kenya Bureau of Statistics which is has personnel capacity to conduct statistical studies on matters useful to the county government.

NOW THEREFORE, this Assembly does resolve that –

- (a) **THAT** Nyandarua County Government does partner with Kenya Bureau of Statistics with a view of appointing the said agency as also the county statistical agency thereby establishing the appropriate infrastructure in that regard; and
- (b) **THAT** the Committee on Lands, Housing, Physical Planning and Urban Development does, within sixty days, report progress on this matter to Assembly.

Thank you Mr. Speaker, Sir.
