i. Hon. Esther Nyambura Mwangi (County Member from Karau Ward)

Mr. Speaker Sir, I beg to give notice of the following motion:-

Aware that with the advent of devolution, Nyandarua County Government inherited many unserviceable, obsolete and obsolescent equipment and assets from the defunct local authorities. Further aware that some other equipment and assets procured in the past five years have become unserviceable, obsolete and obsolescent.

Noting that the National Assembly enacted the Public Procurement and Asset Disposal Act, 2015 which inter alia establishes mechanisms for asset disposal through asset disposal committees.

Concerned that many officers and especially the accounting officers have not complied with the provisions of this Act in relations to disposal of assets.

Appreciating that these equipment and assets would be of great use in County's youth polytechnics and other institutions as learning materials and for refurbishments.

Now therefore, this House does resolve:

1. That all County Government entities do comply with the Public Procurement and Asset Disposal Act, 2015 in relations to disposal of assets;
2. That the County Executive Committee does initiate the process of disposal of all unserviceable, obsolete and obsolescent equipment and assets; and
3. That pursuant to Section 165(1)(a) of the Public Procurement and Asset Disposal Act, 2015, the accounting officers do give preference on the transfer of the assets to youth polytechnics and other institutions in the county without financial adjustment.

Thank you Mr. Speaker Sir.
