Question Put and Agreed to

The Hon. Speaker directed that the Motion and its recommendations are now resolutions of the House and should thus be communicated to the relevant authority.

- ii. Aware that under Article 195 of the Constitution the County Assembly or any of its Committees has power to summon any person to appear before it for the purpose of giving evidence or providing information. Further aware that Section 14(8) of the County Government Act, and vide article 169 of the County Assembly Standing orders, Committees enjoy and exercise all the powers and privileges bestowed on Assembly by the Constitution and statute, including the power to summon witnesses, receive evidence and to compel the production of documents from the Government and the public.

Concerned of the blatant disregard of invitations as well as Summons by the Secretary of the County Public Service Board on divergent matters raised by various Committees. Further concerned that the conduct of the Secretary of the Board in disregarding the summons demeans and derides the constitutional and statutory mandate of the Assembly.

Now therefore, I urge this House do resolve;

- i. that the Secretary of the County Public Service Board be found to be in contempt of this House;
- ii. that the Secretary to the County Public Service Board be found to be avoiding the oversight role of this Assembly over his functions as a County Public Officer; and
- iii. That the relevant appointing authority does take remedial action against the said officer as necessary within the law including considering revoking his appointment.
