Further noting that there is established, in the county executive committee, a department dealing with matters of intergovernmental relations to coordinate cooperation between county governments and the national government and its entities;

ii. Hon. Peter Wahome Kamoche moved the following motion

Aware that under Article 195 of the Constitution the County Assembly or any of its Committees has power to summon any person to appear before it for the purpose of giving evidence or providing information. Further aware that Section 14(8) of the County Government Act, and vide Article 169 of the County Assembly Standing Orders, Committees enjoy and exercise all the powers and privileges bestowed on Assembly by the Constitution and statute, including the power to summon witnesses, receive evidence and to compel the production of documents from the Government and the public.

Concerned of the blatant disregard of invitations as well as Summons by the Secretary of the County Public Service Board on divergent matters raised by various Committees. Further concerned that the conduct of the Secretary of

the Board in disregarding the summons demeans and derides the constitutional and statutory mandate of the Assembly.

Now therefore, I urge this House do resolve that:

- i. the Secretary of the County Public Service Board be found to be in contempt of this House
- ii. that the Secretary to the County Public Service Board be found to be avoiding the oversight role of this Assembly over his functions as a County Public Officer.
- iii. That the relevant appointing authority does take remedial action against the said officer as necessary within the law including considering revoking his appointment.

Hon James Gichuki Mwangi stood at a point of order and wanted to know if the motion should be discussed in its current form asground three on the motion was wrong procedurally. There were several points of order and clarification on the same but the speaker ruled that the mover should continue.

There was another point of order by Hon Nancy Ng'ang'a wanted know if the mover was moving the motion in his private capacity or as a committee motion. The Chair directed that the motion to be moved as a private motion. There were several points of order and information after which the Chair directed that the mover should continue uninterrupted.

Mover called Hon Joshua Mureithi to second the motion but he failed to second the motion stating that he did not belong to the Delegated committee.

Hon Speaker directed that according to Article 56 of the Standing Orders the motion had failed and could not be moved again in the same session.
